

Reading Jr. High School Engineering Club
Technology Student Association (TSA)
LONGHORNENGINEERING.COM

To Join:

1. You may officially join the club at the first business meeting on Tuesday, Sept 12, at 6:30 pm in the GRHS auditorium or the make-up meeting on Wed. after school in RJHS room 1509. Bring your dues then.
2. To speed up the registration process you can preregister at longhornengineering.com.
3. If you miss the first business meeting, you may join BEFORE or AFTER school in room RJHS 1509 with Ms. Ferguson
4. Join the REMIND group – text @rjhst to 81010

Membership Requirements:

- See point sheet for a breakdown on how to remain a member in good standing and to compete.
- Leadership is expected to attend the majority of all activities as well as the other requirements
- Everyone is expected to help out in some way with our Thanksgiving service project and the December Robotics contest we are hosting

Important Dates:

Check out the calendar at longhornengineering@com

Jump Start – 9/23/17 @ 9 am to 4 pm

Regionals - Feb 23-24 @ Lamar

Laser Tag – 9/23/17 @ 7 pm

Consolidated Junior High

Leadership Conference – 11/29 thru 12/1

State – Fort Worth, TX April 18-21, 2018

Cost will be \$200

Nationals – Atlanta, GA June 22-26, 2018

Pre-Regionals – 1/24/18

Dues: \$60 covers the cost of regional, state, and national affiliation with TSA, entry fees for regionals, the black longhorn engineering polo for competition, and the longhorn engineering t-shirt for the year. Returning members can receive a \$20 discount, but will not get a new polo. Students wanting to do robotics will owe an additional \$25 to cover the cost of entry fees for those events

TSA Information: More information about the organization and competitions may be found at:

www.tsaweb.org – National TSA web site

www.texastsa.org – State TSA website

TSA Travel Information

If you advance to **State**, there will be some individual travel costs. If you are a CTE student, meaning you are currently enrolled in a CTE course, the district will pay the following:

- Hotel
- Travel to and from event
- \$18 a day meal allowance
- National Qualifying Event entry fees

The student will be responsible for:

- Any additional food and activity money
- Price of competition clothing (TSA Blue Button Down, Grey dress pants/skirt, black belt, black socks, and black shoes)
- Longhorn Engineering Travel Clothing (Longhorn Engineering Polo and khakis)

*** Any NON-CTE student may have to pick up ALL travel costs. Travel will may not be compensated by LCISD CTE**

ONLY those that place in the Top 3 at State and qualify in their event will advance to Nationals, there will be some individual travel costs. If you are a CTE student, meaning you are currently enrolled in a CTE course, the district will pay the following:

- Hotel
- Travel to and from event
- \$18 a day meal allowance
- Conference Registration

The student will be responsible for:

- Any additional food and activity money
- Price of competition clothing (same as for state)
- Longhorn Engineering Travel Clothing (same as for state)

*** Any NON-CTE student may have to pick up ALL travel costs. Travel will may not be compensated by LCISD CTE**
